Professional experience

Director of Operations, Smiles 4 Keeps Pediatric Dentistry: <https://www.smiles4keeps.com>

- 2011–2017 Completed an end-to-end digital transformation of one of the country's largest privately-held multi-site Medicaid pediatric dental groups while it continued to serve **over 40,000 children annually**. Digitized all clinical and financial systems, stabilizing operations and rendering an accurate third-party valuation. **My work resulted in the sale of the business**. Invited to present to 5,000 pediatric dentists at the American Academy of Pediatric Dentistry on the subjects of digitization and compliant record-keeping.
